Dear Mr. Matteoni:

After receiving your letter of October 7, 2004, I have only one request for the arbitration hearing set for December 15, 2004. I request that Ms. Unsworth bring the trial transcript from the second trial to the hearing. If it is too bulky or large, then I request only the portions of Mr. Spencer's and Mr. Culver's testimony.

Regards,

James Prichard
