Re: Draft MSA

Dear Andrew:

I am faxing herewith the revised draft Marital Settlement Agreement that contains the changes arising out of our discussion this afternoon. I appreciate that you and Eloisa may decide to approach your situation in a manner other than divorce, and if so, we can make appropriate changes in the agreement.

You will note that there are still some blanks that we will have to fill in. You and Eloisa will also have to create the lists of personal property that will be attached as exhibits to the agreement.

You will also note that I added language regarding the respective Trusts. Don had to leave to go to an eye doctor appointment, so he has not reviewed the language. He may have suggested changes. I did speak with him about the other tax issue we discussed and asked him to call you directly as I thought that may make more sense than him trying to explain to me and then me try to discuss with you.

It is my understanding that Eloisa will be meeting with Sharon McDonald next week to discuss this matter. I am happy to provide Ms. McDonald with a copy of this draft agreement in advance of Eloisa's meeting with her if the two of you believe it would be helpful or appropriate. Please let me know.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely yours,

Shawn B Meador
